Dedication

We the Palmetto Staff wish to dedicate the 1979 edition of the Palmetto to Mrs. Faye Purvis.

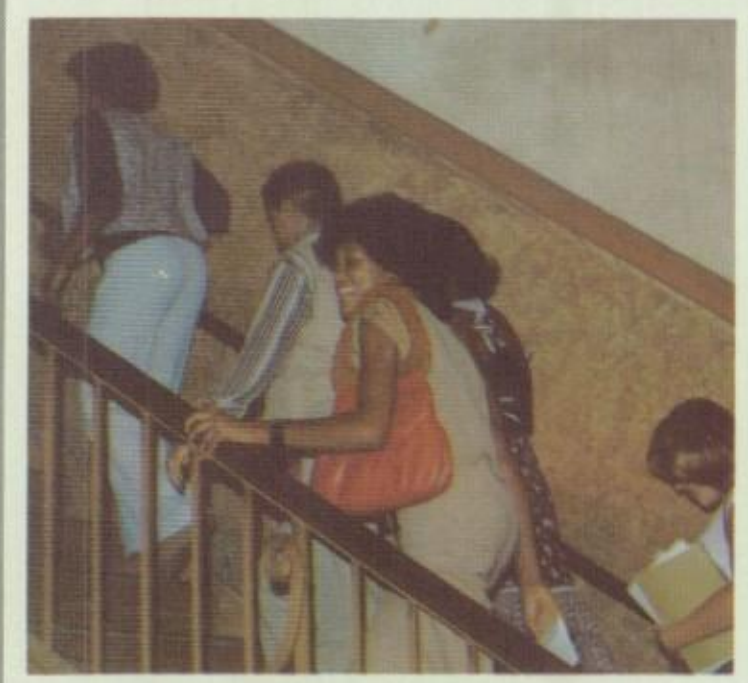
Mrs. Purvis is representative of teaching excellence in the classroom and in her involvement in extra-curricular activities, where she has always set the highest standards. She has given of her time, efforts, and love to promote school spirit and instill school pride and loyalty in the students of Rayville High School.

Mrs. Purvis has sponsored the cheerleaders for three years and FHA for five years. As if these activities did not take enough of her time, she extended her talents to sponsor the RHS Stingers.

Mrs. Purvis, we appreciate your loyalty and faith in Rayville High School and its students, and we proudly offer this tribute to your dedication and service.

We've only just begun

— to live



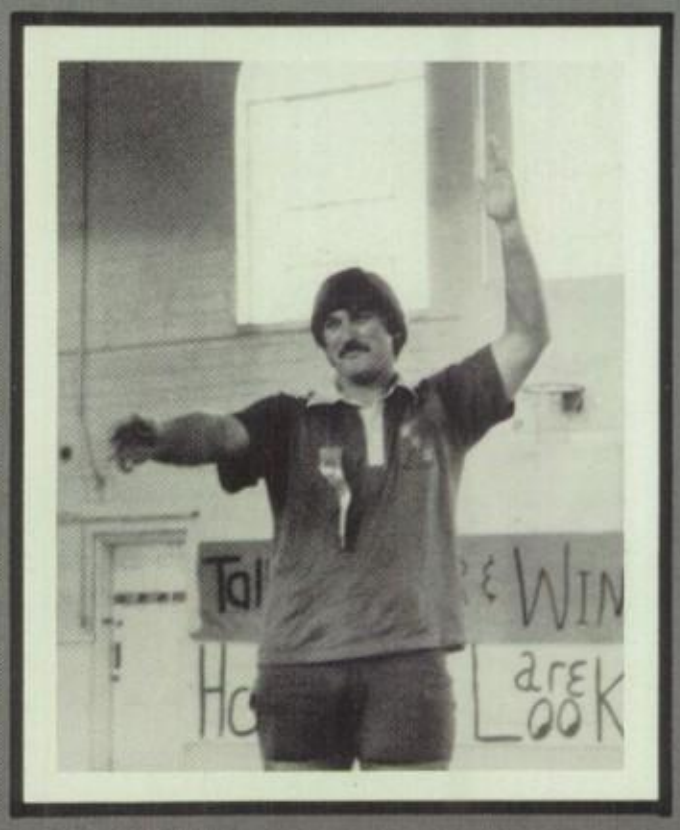
White lace and promises,
a kiss for luck, and

we're
on our
way

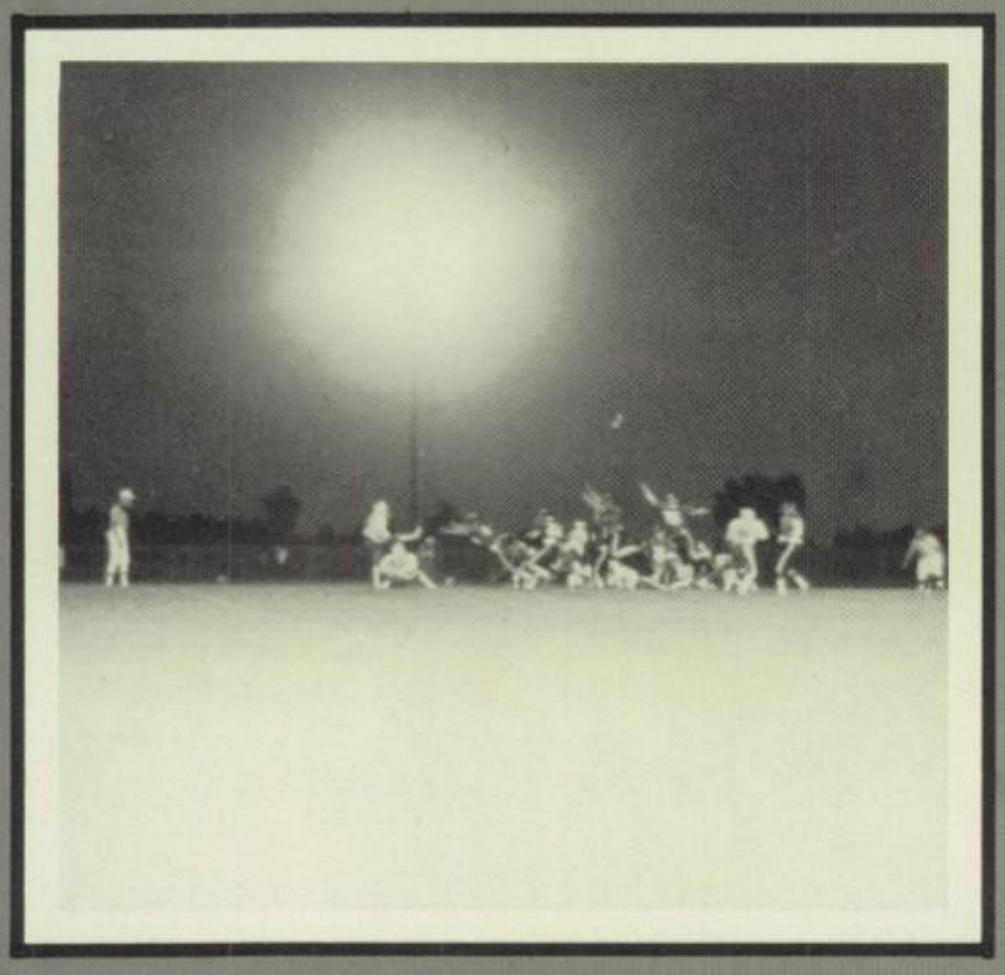
We've
only
begun

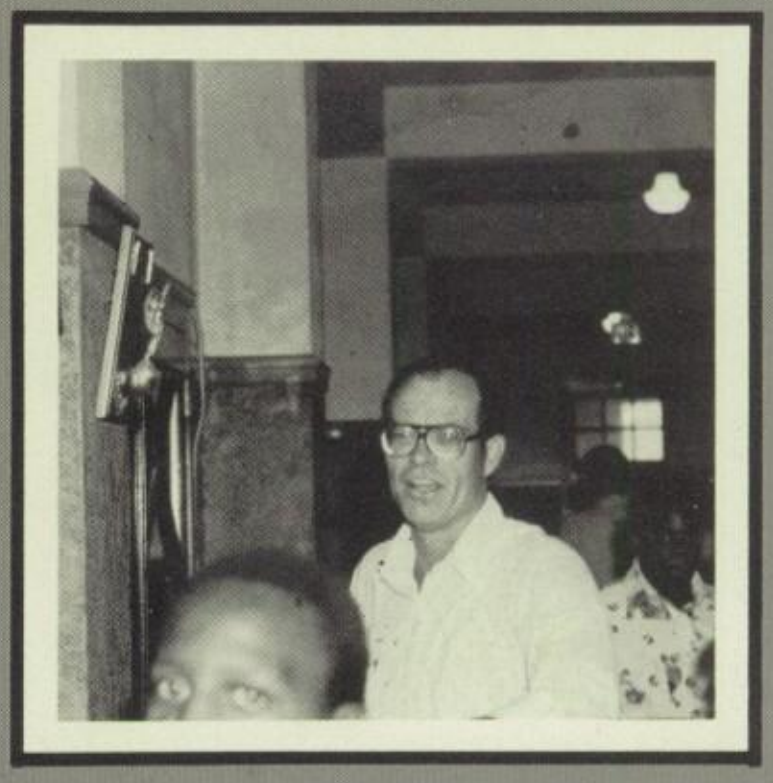
Before the rising sun,

we fly



So many roads to choose
we start out walking and
learn to run,

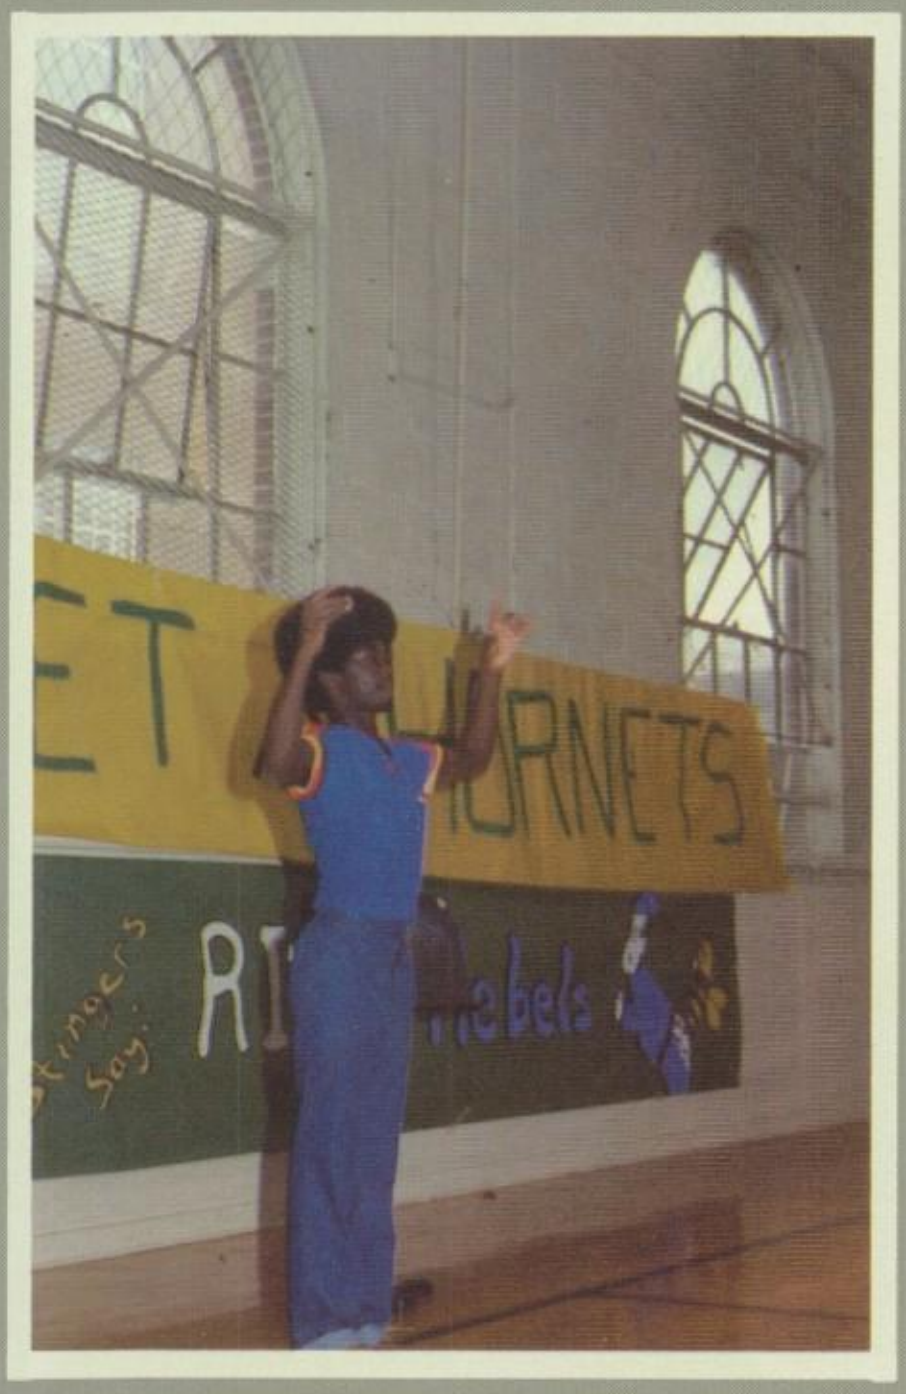


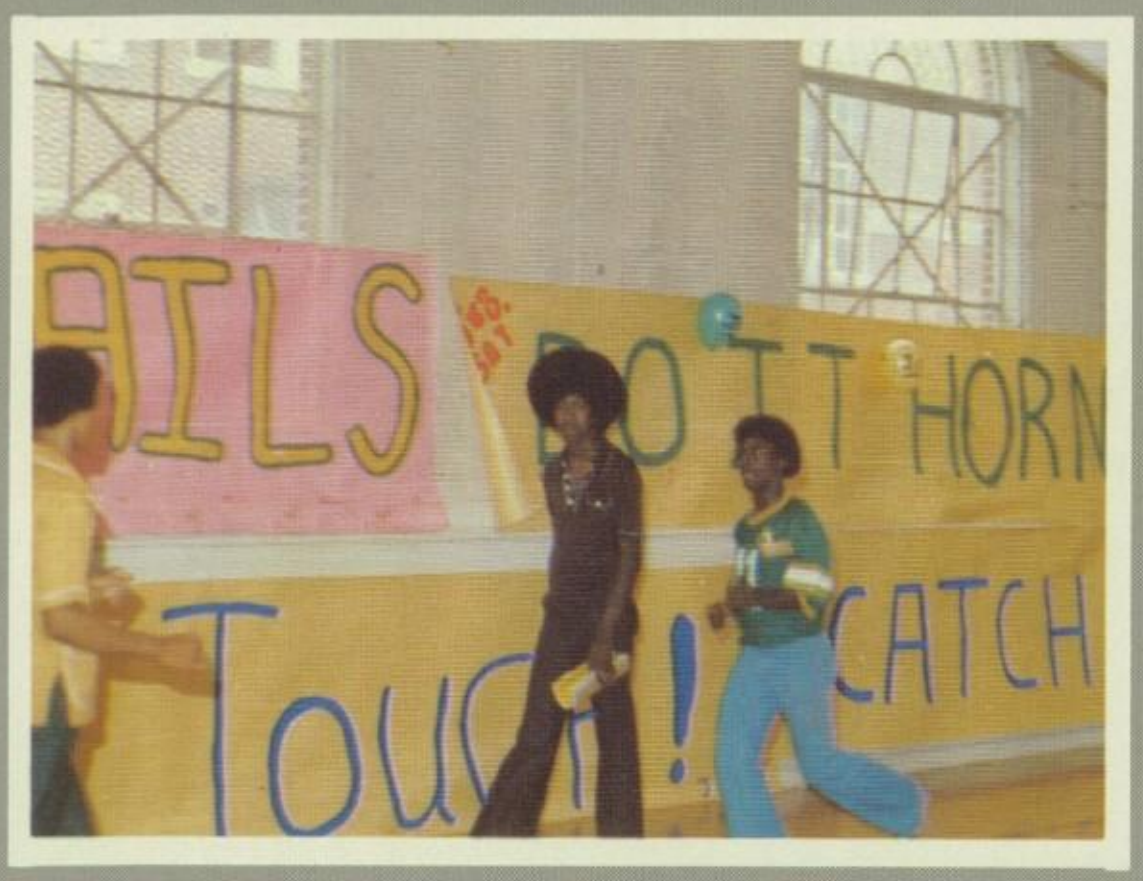


We've only
just begun

Sharing horizons
that are new to us

Watching the signs along the way





talking it over —

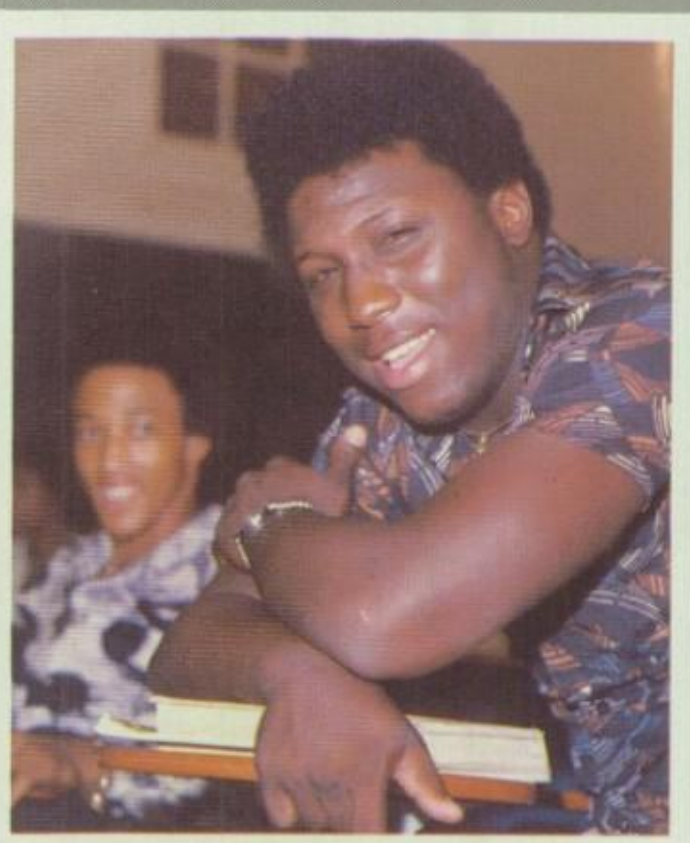
just the two of us

Working together day to day

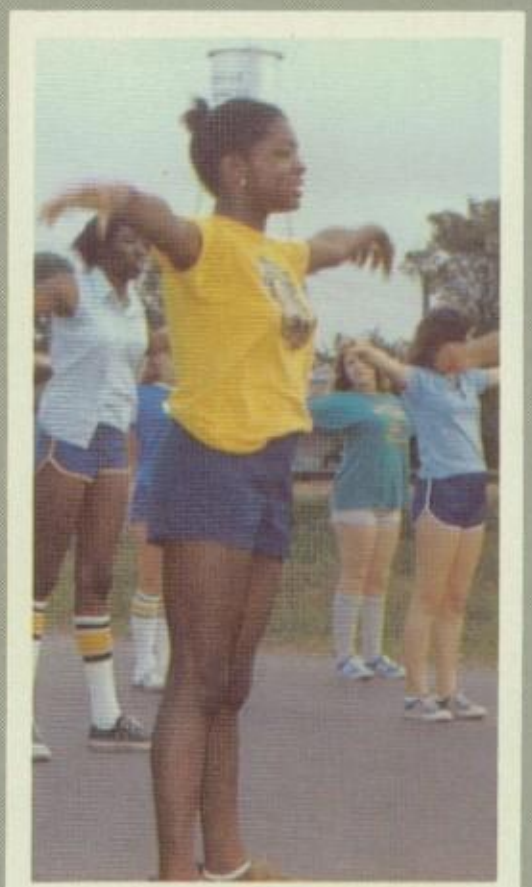
— together

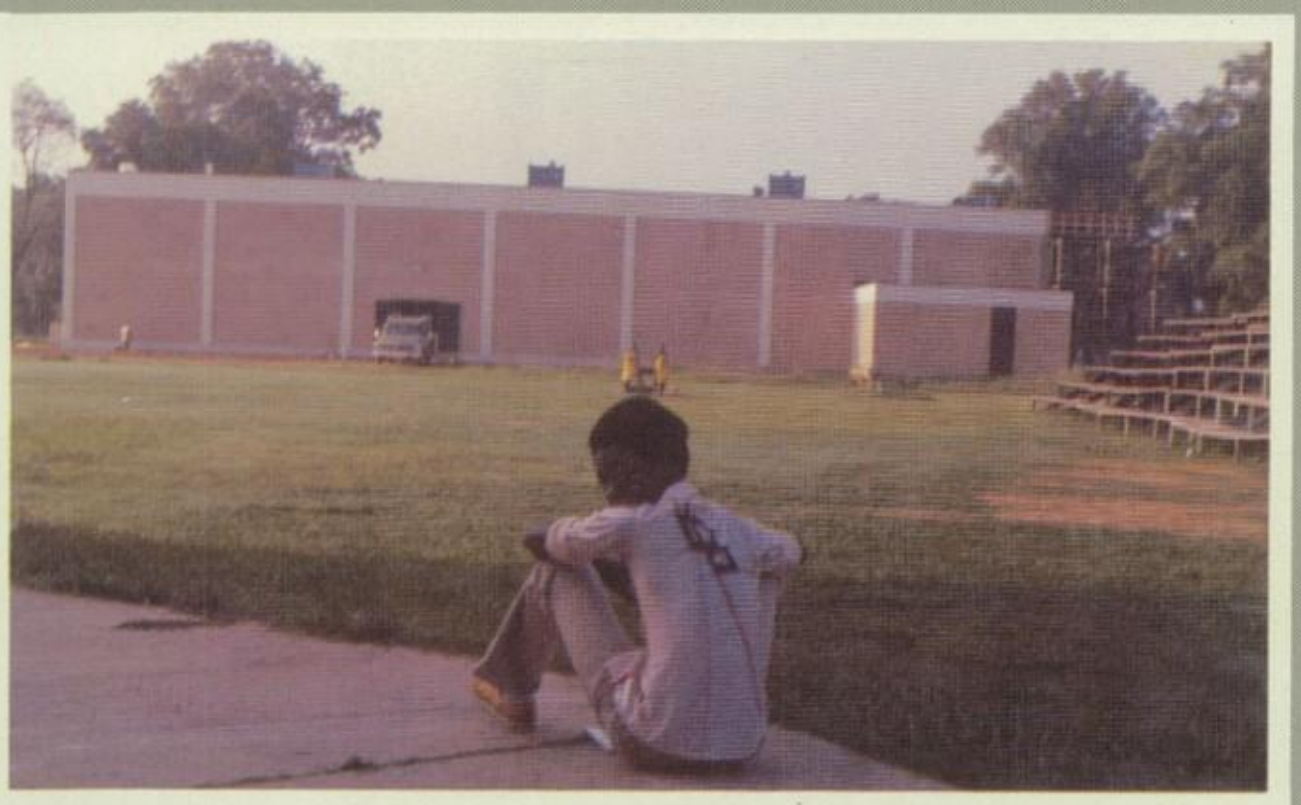
and when the evening comes

— we smile



So much of life ahead,
we find a place where there's
room to grow





and yes,

We've just begun.

COE

Cooperative Office Education is a cooperative work program open to seniors who have successfully completed two business classes — one of which must be typing. The students attend school for a half day and work in offices in the area in the afternoon. Three credits are earned; one for the related class and two for work successfully completed at the work stations.

Vol. XXXVII No. 1 Rayville High School October 15, 1977

Bi-Racial Committee

At Rayville High School, on September 21, an election was held for class representative to the Bi-Racial Committee.

A list of all the class representatives was then made so that the student body could elect five whites and five blacks to represent them.

Here are the students that were chosen by the Rayville High student body.

Industrial Sewing

The purpose of the Industrial Sewing Class is really a multipurpose program. The goal is to train students to have a knowledge in the sewing field of the Industrial Sewing Factories in our community. The students have a thorough training program on safety rules as well as how to operate power sewing machines. They also learn the different kinds of fabrics, the care of each fabric, and the sewing ability of the fabric. This will help them in their sewing at home or as a salesperson in fabric shops, clothing stores, or even in cleaning shops. In general, they are being trained for a vocation in a special field where they will have better job opportunities.

Athletics

1978 was one of the best years in Rayville Hornet history. The Hornet football team won the district championship this year for the first time since 1968. They did so with a 6-1 district record against such teams as Tallulah and Oak Grove. These two teams provided the biggest threat to the Hornets' 2-AA district victory. In the last two games of the regular season, the Hornets defeated Oak Grove (Homecoming) and Tallulah with decisions of 7-6 and 19-12, respectively.

The Hornets began the season with a slow start by losing three of their four first games. They then began to pick up steam, winning their last six games to capture the district title. The Hornets then went on to play Jonesboro Hodge in the first round of 2-AA district playoffs. Jonesboro Hodge won the game 14-6 by scoring a touchdown with only 57 seconds left in the game. It was disappointing loss, but this final game brought a close to successful season.

The Hornets had several players who made All-District. They were: Edward "Boo" Walker, RB & LB, Loftin Keys, Split end; Tim Towers, QB; James White, Def. T. and Vic Lancaster, St. Sf.

CONGRATULATIONS 1978 HORNETS!

The 1978 Jr. Varsity went undefeated with an 8-0 record.
